

91 x 91 - Fundraising Appeal by the BCCG for the Benefit of the BCCG Foundation

Dear Members,

The British Chamber of Commerce in Germany supports student exchange between the United Kingdom and Germany: About 25 years ago, members of the BCCG founded the BCCG Foundation with the aim to facilitate for British or German students and practical trainees a stay in the other country. Thereby, the Foundation supports young people of either country on their way to find attractive jobs in the market.

As BCCG was founded initially 91 years ago in 1919, the BCCG and the BCCG Foundation would like to start another education initiative. Last year, due to overwhelming response to the fundraising appeal, over 9,000 Euros were donated. As a result, the BCCG Foundation was able to support six students in Germany and the UK. We thank our members and friends for their generosity.

This year, the BCCG Foundation would like to continue its efforts and support students willing to study in the UK or Germany. This will only be possible with the support of our members and friends. Our joint goal for 2010 is to enable the Foundation to support as many students as possible in order to enable them to take on an active role in the bilateral relations between Britain and Germany. We are aiming to raise a sum of 91 € (or more) per member or friend for the Foundation scholarships.

With an amount of 91 € commemorating the 91th birthday of the Chamber you and your company are giving a hand to the applicants. With 900 €, you will already support the step over the channel. And if you like to support more than one student, you may of course take any higher amount, if you and your company can afford it. The BCCG Foundation is grateful for your support. The supporters will be listed in our publications as well as on our website.

We would be grateful if you could support our fundraising effort. If you like to transfer electronically, here is the Foundation's account information (if you want to pay by credit card, please https://ssl.kundenserver.de/bccg.de/services/credit_card_payments.asp and we will transfer the funds to the Foundation):
