

Ahoi there!

The BCCG in co-operation with FrankfurtRheinMain GmbH International Marketing of the Region have the pleasure of welcoming you on board of the “Frankfurt am Main”

Dear Ladies and Gentlemen,

This coming June, one of the German Navy’s largest vessels, the *Frankfurt am Main*, a multifunctional troop supply and hospital ship currently on sea-duty, will be berthing in Liverpool, England. We would like to take advantage of this excellent opportunity and invite you to become better acquainted with Frankfurt am Main – the ship as well as the city – within the framework of this highly interesting event.

Mr. Volker Stein, Frankfurt city councillor, and Mr. Thomas Feda, managing director of the Frankfurt Tourist+Congress Board, would like to present to you a city featuring many contrasts, a city of tradition and modernity, of commerce and culture, of business and pleasure. During the tour of the ship, you’ll also discover some of the parallels between the City of Frankfurt and the *Frankfurt am Main* – from the ship’s mess, named after the famous “Fressgass”, Frankfurt’s culinary mile, all the way to the bridge and its counterpart, downtown’s bustling “Hauptwache”.

We cordially invite you to join us for this unique event, to be held on:

**8th June 2009 at 4:30 p.m.
on board of the “Frankfurt am Main”
at berth Cruise Liner Terminal, Liverpool**

After the tour, we’ll be holding a small reception, where you’ll have the chance to chat with official representatives of the City of Frankfurt and the FrankfurtRhineMain Region. In keeping with the general theme, the crew of the *Frankfurt am Main* will be serving a variety of delicious regional specialities.

Please note that advanced registration is required. Only a limited number of seats are available, therefore, registration is on a first come-first served basis.

We look forward to welcoming you on board.

Best regards,

Carsten Rumberg
