Invitation and Programme Conference
Real Estate Revival 2010 –

Die Wiederbelebung des Immobilienmarktes 2010

**Thursday, 27th May 2010,
Cologne**

Dear BCCG Members and Guests,

You are cordially invited to our conference, entitled

REAL ESTATE REVIVAL 2010 — Die Wiederbelebung des Immobilienmarktes 2010

on Thursday, 27 May 2010, from 15:00 to 18:30 h.

While the financing of voluminous portfolio transactions is still proving difficult to achieve and transaction types have moved from large auction processes to more privately-managed sales processes, the main players are still the same and well known to the market.

Is the short-term-market development predictable?

Real estate markets have started to pick up quite significantly in recent months and in particular in the office building sector. Transaction volume is on the rise and the German and UK markets have both rallied after the financial crisis of 2008/2009.

We would like to discuss these and other related topics with our speakers, members and guests at our Real Estate Event.

We are looking forward to seeing you in Cologne.

Dr. Hanno Goltz,
Partner of Oppenhoff & Partner and
Member of the BCCG Council
